

# Fall Camp

## Theme: Hope

### Welcome

Welcome to fall camp at Birkedal. This year Sweet People and Greve Frikirke invite for a weekend of fellowship across age and background.

At Birkedal we can experience walk and good talks, sing together, enjoy good food, be creative, play games, and have fun inside and outside.

The theme HOPE will be examined through personal stories, teaching, and group discussions. What gives you hope? What causes you to lose hope? What does the bible say about hope?

The gatherings will be in groups for children, youth, and adults.

Everybody will be part of a kitchen team and take turns preparing food and do dishes.

Birkedal has rooms for 2,3,4 or 8 people. We have good space and try to accommodate your wishes when you sign up.

HOPE to see you at Birkedal.
